

Casual Boarding at Medbury

Why Casual Boarding?

For those who are not quite ready to board full-time or want the flexibility of boarding short-term, Casual Boarding could be an option.

At Medbury, many of the dayboys have spent time in the Boarding House on a casual basis, whether that be a couple of nights, a whole week, or even a month. Dayboys use casual boarding for many different reasons. They all come away with a sense of pride and huge enjoyment from their time spent with the Medbury boarding family.

From the Headmaster

Boarding at Medbury can offer boys special life opportunities, enabling them to develop independence and life-long friendships, discover inner strengths, and enjoy the full benefits of Medbury's culture.

The Boarding House is a welcoming home for up to 38 boys, aged 7 to 13 years, with an inclusive atmosphere which places emphasis on tolerance, caring and respect. This safe, nurturing environment is combined

with plenty of opportunities for boys to engage in sports, culture and hobbies; to work together on their homework projects, and to play games. The Common Room has a 52" television, X-box and digital Sky, to cater for those wet, cold evenings. A pool table and table tennis are also features of the common room, which the boarders all enjoy, and they also have total access to the School's extensive recreational and sporting facilities outside of school hours.

Our Casual Boarding Team

Our dedicated team includes a Director of Boarding, Boarding Masters, two Matrons and Gap Tutors.

The team ensures that every boy receives the attention and support he needs to flourish.

In addition, a 'big brother' system provides boys new to the Boarding House with friendly guidance and advice.
