

PLAY THE GAME MAGAZINE

READERSHIP

Now published twice a year, in Winter (end of July) and Summer (first week of December), Play the Game magazine is read by the wider Medbury Community.

All current families of Medbury receive copies and hundreds of copies are given each year to prospective families attending Open Days and tours of the School with the Registrar.

Past parents and old boys receive a digital copy.

TERMS

Payment of invoice is by the 20th of the month following issue date.

Please note the Winter 2025 Issue was the last issue where we offered exclusivity to one advertiser per industry in any edition. Due to high demand and the need to keep the publication running, we will now be accommodating more advertisers per industry.
